Inspector's Comments Regarding Innovative Practices:

None.

Command Suggestions for Statewide Improvement:

None.

Inspector's Findings:

The West Los Angeles Area's overtime is managed by one Special Duty officer. Her duties include overtime, back up evidence officer, facilities and grant management. She has a comprehensive system in place to ensure overtime is equitably disseminated and properly tracked. The Area files contain all signed contracts which display prices and signatures of the companies who are reimbursing the Department for services. All overtime daily records (CHP A415's) reviewed contain the contract number and name of contractor and are electronically signed by a supervisor prior to being submitted for billing. The Area Commander ensures he reviews and approves the monthly overtime reports, prior to their being submitted to Southern Division.

West Los Angeles Area has not sought out grant funding independently, however, the Area does utilize Cal-GRIP funds. Use of funds is overseen and managed by an Area lieutenant. The Area works closely with Southern Division and provides input toward concept papers and grant proposals.

Commander's Response: ☒ Concur or ☐ Do Not Concur (Do Not Concur shall document basis for response)
